

# AWMS-RHXB

Dual Crossbar Display Desk Mount

**The AWMS-RHXB dual crossbar display desk mount is designed to support two displays with a single monitor arm.**

Its spring-assisted design with three points of articulation enables effortless simultaneous adjustment of both monitors from a seated position.

## Interactive desk mounting solutions

75 x 75  
100 x 100

Flat: 30lb

Workspace mounting solutions

# AWM modular mounting family

## Desk fixing options (sold separately)

**Desk clamp** AWM-FH

Dual steel plate design for extra strength and stability. Fits desks up to 2.68" in thickness.

**Grommet clamp** AC-GC

Can be used as a bolt through or grommet hole mounting option. The plate provides extra stability for heavy loads.

**C-clamp** AWM-FC

Suited to desks with potential to interfere with the elements under the desk such as cable cages. Suitable for desks up to 1.3".

## Options and Accessories

The dual crossbar can be replaced with the single display AWM-LTH head to accommodate larger monitors. The arm can be also attached to any AWM post via the AWM-LC channel clamp.

**Heavy duty VESA head** AWM-LTH

**Channel clamp** AWM-LC

## Ordering AWMS-RHXB

**AWMS-RHXB consists of the following parts:**

- 1 x AWM-AHX heavy duty dynamic arm
- 1 x AWM-LR dual monitor crossbar
- 1 x AWM-LB base

**Desk fixing options:**

- AWM-FH heavy duty clamp
- AC-GC bolt through/grommet
- AWM-FC C-clamp

**Options:**

- AWM-LTH heavy duty tilt head
- AWM-LC post channel clamp

For all AWM components, add -S for silver, -B - for black and -W for white at the end of the main code.
