Futureproof desk mounts for enterprises & strategic facility management

Innovative AWM-P40X stackable post

AWM-P40X is easily 'stacked' to double its height without disassembly of the mount. This makes the product ideal for enterprise workspaces with varied workstation setups across teams and functions. With AWM-P40X, facilities teams can add or remove layers of monitors without disassembly of the mount and radically shorten the time taken to relocate teams.

How AWM-P40X works

Single post is 400mm (15.7")

Remove cap

Add adaptor kit & extra post

Connect the posts

Stacked post is 800mm (31.5")
