

Large Heavy Display Wall Mount

AD-WF-10090

Mount large and heavy displays with confidence. Displays nearing 100kg or 220lb are increasingly used in commercial, retail, and domestic areas. Atdec mounts these large, heavy, and expensive displays securely. Backed by our 10 year warranty.

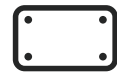

Robust & Reliable wall mounting

Materials

Constructed in steel for strength & durability

Confidence

Multiple wall mounting holes are available, including to suit 600mm (24") stud walls

100x200
900x600

Fixed parallel to
wall

Display weight
100kg (220lbs)

VESA
100x200 to 900x600
UNIVERSAL

Warranty
10 years

Curved displays, deep devices, VESA mounted accessories (such as mini PC brackets and mounts), and offset VESA locations exert additional leverage that can exceed the capacity of the mount even though the display weight may be within the stated range. Please contact Atdec if you would like further information.

Have other displays to mount?

Atdec has a complete range of universal single display wall mounts, specialist alternatives for specific requirements, and modular solutions for any configuration of video wall.

Atdec Uncover™ is where our infinite mounting possibilities become your specific mounting solutions.
