30kg (66lbs)

The TH-2250-VTP LCD and plasma tilt and pan mount offers innovative yet easy to use technology. Installation is quick, simple and hassle-free, with all mounting hardware included and compatibility with five different VESA mounting hole patterns. Screen attachment or removal is effortless, using the quick attachment mechanism with the option of engaging the enhanced security feature. Once attached, viewing angle impact can be optimised using simple tool less tilt and pan adjustment features.

Product key features:

- Two-piece design for simple and easy installation
- Adjustable tilt of 15° up and 15° down
- Adjustable pan of 30° either way from the vertical plane
- Quick release mechanism for fast display attachment/removal with a security feature
- Distance from wall: 82mm (3.2")
- Removable wall plate cover for a clean professional look
- Comes with all mounting hardware for masonry and timber stud wall installation
