

## Low profile wall mount | Tilt TH-3065-LPT

The TH-3065-LPT is a low-profile wall mounting solution for TVs up to 65" in screen size or weighing up to 40kg (88lbs). The slim profile provides a sleek look while quality construction ensures a lifetime of worry-free operation. It is an ideal solution if your display is mounted higher up and requires additional downward tilt to achieve an optimal viewing angle (up to 12° of downward tilt). Universal VESA support ensures a high level of display compatibility. The wall plate incorporates slotted holes for easy alignment during set up while the brackets allow for horizontal post installation adjustments. This durable mount is made of 100% recyclable steel and backed up by our 10 year warranty.

**Universal VESA mounting hole pattern:**  
from 100mm to 600mm wide  
from 200mm to 400mm high

**Maximum weight carrying capacity:**  
40kg (88lbs)

### Product key features:

- ⚡ Ideal for displays from 32" to 65" in size (measured diagonally)
- ⚡ Three piece design for easy assembly and installation
- ⚡ Can be mounted to a masonry or two stud timber wall
