ATDEC Infinite Mounting Possibilities

Ultra-slim wall mount | fixed TH-40100-UF

Mounting hole pattern:
From 200mm to 800mm wide
From 200mm to 600mm high

Maximum weight carrying capacity:
150kg (330lbs)

The TH-40100-UF is the ideal mounting solution for large displays and heavy touch screens weighing up to 150kg (330lbs) and up to 100" in size. Its low profile design supports the display just 39mm (1.5") from the wall while a range of pre and post installation adjustment features help to simplify the installation process. Incorporating a lockable security bar and robust steel construction adds additional security in challenging public environments.

Product key features:

- Durable steel construction supports displays up to 150kg (330lbs)
- Large universal VESA mounting pattern compatible with screens up to 100"
- Can be mounted to either Masonry or Tiber Stud Walls
- Offers post installation horizontal and height adjustments
- Distance from wall: 39mm (1.53")
- All mounting hardware included
- 10 years warranty
