Pop-out video wall mount

Pop-out video walls stand out for their ease of installation, ease of maintenance, and infinite modularity. Ideal for recessed wall installations, they are chosen for their post-installation accessibility.

One product, infinite possibilities

The ADB-VWP has an ultra-low profile for mounting into walls with a shallow recess or minimal space in front. The pop-out system enables quick and easy access to the rear of mounted screens for servicing and maintenance.

- › push-to-open mechanism
- › easy post-installation access
