

ATDEC Infinite
Mounting
Possibilities

Corporate Snapshot

Our extensive technology mounting range is supercharged with **unmatched customer service and intuitive design** to take your project from initial workspace conceptions all the way through to end-user satisfaction.

Visual technology is everywhere — guiding, displaying, teaching, entertaining — in work spaces, in public places, and in our homes. And because technology is everywhere, it's more important than ever to be able to interact with it comfortably, safely and effectively. Atdec mounting solutions are engineered with infinite mounting configurations to make your interactions with laptops, TVs, projectors and other technology easier, safer and more ergonomic.

Experts in designing visual technology mounts for:

LAPTOP

TABLET

DISPLAY

MONITOR

TRUSTED BRAND

Our mounts are trusted by the world's biggest brands

i'm lovin' it®

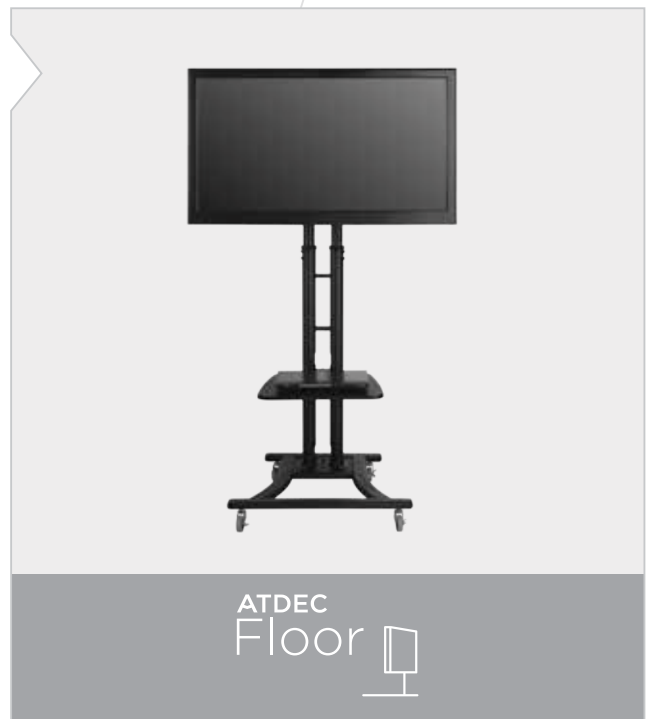

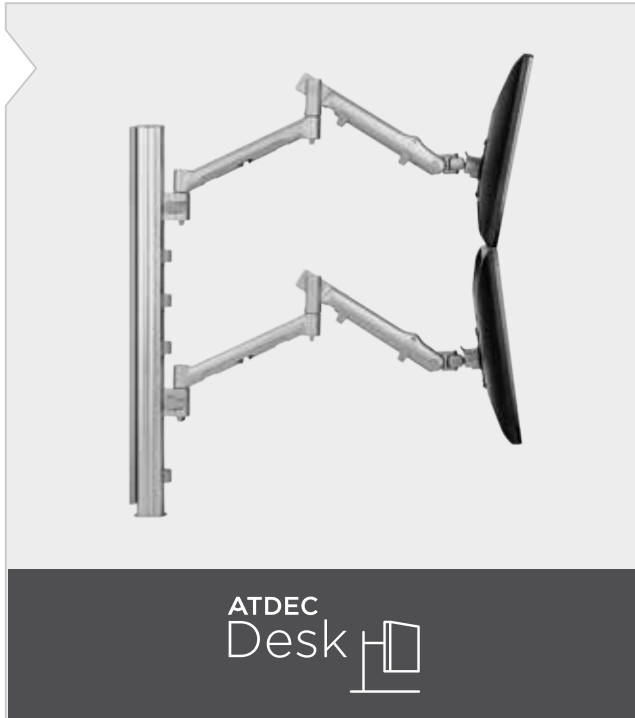

Hundreds of configurations

Future-proof your environment

Explore interchangeable mounting configurations—including multi-screen, multi-device and multi-user—to meet your technology's space, weight, height, and occupational requirements.

Public and private spaces

Enhance human-tech interactions

Our cleverly-engineered visual technology mounts are installed in public and private spaces across multiple sectors including corporate, financial, retail, education, healthcare, government, tourism, travel, media, and events.

WORKSPACE

Revitalize your commercial office with strategic zones, knowledge work zones, collaborative zones, and welcome zones.

DIGITAL SIGNAGE

Optimize your information delivery across advertising, updating, entertaining, and teaching spaces.

RETAIL

Boost your service and sales with fixed, hybrid and mobile POS devices, as well as assisted and unassisted point of service areas.
